To

The Secretary to Government
P. W. D.

Sir,

With reference to Order of Government N 3
dated 4 January 1864, I have the honor to inform
you that I did not intend that the remarks a-
gainst Mr Blackens name in the report on Upper
Subordinates in charge of ranges, dated 1 October
should entail the very severe punishment that
has been inflicted on him.

2. He has lost his Acting Appointment as sub-
Engineer, 3 Clap and has been passed out by two
of his seniors, I trust therefore that Government
will be pleased to re-instate him in his former po-
sition on the occurrence of a vacancy among the
sub-engineers.

I have &c.
