*Proceedings of the Madras Government, Public Works Department,
18th June 1864.*

No. 383. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Goodaloor, 10th June 1864, No. 28 :—
SIR,

1. I have the honor to inquire whether I am at liberty to entertain an additional Overseer for the new charge created by separation of Wynad into two Executive Ranges.
2. Passed Overseers being now available from the College, this also seems a good opportunity of soliciting the final orders of Government respecting the appointment of an additional Overseer for Cochin, where there is a good deal of work to be got through already, and will be more when the Light House now being planned is taken on hand.

No. 384. ORDER THEREON, 18th June 1864, No. 1,776.

1. The Government are unable to authorize the entertainment of permanent Overseers in excess of the sanctioned allotment.
2. Colonel Walker is however at liberty to employ temporary Superintendents and to charge their salaries to the Estimates for the works upon which they may be engaged.
3. It is observed that in Proceedings No. 22, dated 7th ultimo, an additional Supervisor 2nd class was placed at the disposal of the Superintending Engineer, 7th Division, for employment in such manner as appeared to him most desirable.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer 7th Division.
