*Proceedings of the Madras Government, Public Works Department,
24th November 1864.*

No. 503. Read the following letter from Captain J. F. FISCHER, R. E, Contoller of Public Works Accounts, to Colonel C. A. ORR, R. E, Secretary to Government, Public Works Department, dated Madras, 11th November 1864, No. 1,643:—

SIR,

1. In reply to G. O. No. 3,200, dated the 7th instant, I have the honor to state that if out of the total allotment in the Local Fund (District Conservancy) Budget of the current year, viz., Rupees 4,85,219, ten per cent. be the limit of charge on account of the proportionate cost of Imperial Establishments employed on such works, the amount to be borne by that Fund will be in round numbers Rupees 48,500, and this will set free Rupees 26,500 from the sum of Rupees 75,000 provided in that Budget on account of "Establishments."

2. This sum of Rupees 26,500 can be passed against savings in the allotment for works on the 30th April next, provided the sanction of the Government of India is obtained to such a transfer being made.

3. I have not included in the above the allotment for the Income Tax grant, of which Rupees 50,000 are to be charged to Imperial Establishments, as the works included in this grant are chiefly Imperial. But as respects the Educational* Budget I request the orders of Government as a reduction of Rupees 9,000 can be made if the Government limit the charge for Establishments to 10 per cent., which would then be Rupees 16,000 instead of Rupees 25,000.

* Total allotment Rupees 1,61,149
