*Proceedings of the Madras Government, Public Works Department,
24th November 1864.*

No. 506. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 10th November 1864, No. 137:—

SIR,

1. I have the honor to submit for sanction a bill amounting to Rupees 2,098-5-11 for tools purchased for works in the Cuddapah District, prior to the receipt of Order No. 1,365, dated 11th May 1864.
Enclosure 1 Bill.

2. It was my intention to distribute these tools as required, charging them to different works, and the greater portion has been so distributed and charged; but as by a late order*

* No 1,543, 27th May 1864.

all purchases of tools are to be debited to the new head of "Supply of Tools and Stores," and not to Works. I forwarded the enclosed bill to the Controller with my accounts for September, but he refuses to admit the charge without the previous sanction of Government.

No. 507. ORDER THEREON, 24th November 1864, No. 3,379.

The bill is sanctioned as a charge against the current year's assignment for "Stores to be purchased in India;" but as separate provision was not made under that head for tools, &c., the Superintending Engineer will specify the works on account of which the articles were obtained and the amount chargeable to each, in view to a corresponding transfer being made from the estimates to the head "Stores."
