*Proceedings of the Madras Government; Public Works Department,
25th November 1864.*

No. 518. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 17th November 1864, No. 1,694:—

SIR,

I have the honor to forward the accompanying bill, amounting to Rupees 144-14-8, for converting the Suttiamungalum Taluq Cutcherry into an Office for the Deputy

Coimbatore District

Collector. It would appear that the estimate, amounting to Rupees 145, was sanctioned by the Collector and District Engineer on the 14th and 20th February 1863, and the work executed from the Repair Funds of that year. The late Central Office of Public Works objected to the estimate being included in the Repair List for March 1863, and called upon the District Engineer

• Dated 25th October 1864.

to furnish a plan and estimate. The utility of the plan* and estimate being prepared at this late period is not apparent, as the work was commenced on the 25th February 1863, and completed on the 30th April following. According

1 Bill.
1 Certificate.
1 Plan.
1 Estimate.
1 Letter No. 74, dated 9th November 1864.

to Chapter IV, paragraph 13 of the New Code, the papers as per margin, connected with this subject, are submitted for the orders of Government.

No. 519. ORDER THEREON, 25th November 1864, No. 3,385.

The Bill is sanctioned, but the Government are constrained to remark that there has been very great and unnecessary delay in its submission. The work appears to have been completed so far back as April 1863.
