Proceedings of the Madras Government, Public Works Department, 30th November 1864.

No. 597. Read the following letter from Captain F. J. MOBERLY, R. E, Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 11th November 1864, No. 1,747.—

SIR,

1. I have the honor to submit, for the consideration of Government, the necessity of making some provision for the maintenance and repair of the Travellers' Bungalows in this Division.

2. Under instructions in Circular No. 66 of 14th December 1863, of the Government of India, no entries were made in the Public Works Budget for these buildings, but the bungalow at Tuticorin was in such bad order that I was obliged to complete work begun last year, and to allow an outlay of Rupees 346, which I hoped would have been made from Bungalow Funds

3 It appears, however, that there are none available, and the Collector further calls on me to make arrangements for the transfer from other funds, but all my means are already otherwise allotted if not expended.

4. I mention the subject more particularly now as no item for repair of the bungalows has been entered in the Budget for 1865-66 lately submitted.

No. 598. ORDER THEREON, 30th November 1864, No. 3,423.

1. The Superintending Engineer, 8th Division, will be informed that the Government are unable to place any funds at his disposal for the repair of Travellers' Bungalows in the Madura and Tinnevelly Districts. The amount expended during the current year on the bungalow at Tuticorin must, therefore, be charged against the Budget allotment in Part II under "Communications," or adjusted by a corresponding transfer from the assignment under one of the other main Budget heads.

2. Provision should be made in the revised* Budget for 1865-66 for the repair of Travellers' Bungalows.

* Called for in G O. No. 3,363, dated 23rd November 1864.
