Proceedings of the Madras Government, Public Works Department, 30th November 1864.

No. 599. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E, Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E, Secretary to Government, Public Works Department, dated Cuddapah, 10th November 1864, No. 135.—

SIR,

1. I have the honor herewith to submit for sanction and entry in the Budget of 1865-66 a survey and an estimate amounting to Rupees 39,770, for completing an unmade portion of Trunk Road No. XII in the Bellary District.

1 Survey
1 Estimate.
1 Specification.
1 Plan.
1 Sketch map.

2. This road, commencing at Madanapalle in the Cuddapah District, passes through Khadri, Anantapore, and Joladarasy, where it joins the Bellary and Cuddapah road, 14 miles east of the former station.

3. From Madanapalle to the frontier of the Cuddapah District, the road is in very fair order, quite passable for carts, and provided with an annual maintenance allowance; the portion between Anantapore (the head quarters of the Sub-Collector of Bellary) and Joladarasy was completed last year, and is also provided with an annual maintenance allowance; there remains therefore the gap, 27 miles in length, from the Cuddapah frontier to Anantapore, provided for in the estimate now forwarded for sanction.

4. The completion of this road will be of immense benefit to the Sub-Division of Bellary, judging from the traffic which has sprung up in the neighbouring Táluqs of Cuddapah, where strings of carts are now seen in a part of the country where three years ago, there was only one wheeled cart belonging to a subordinate of this Department.

No. 600 ORDER THEREON, 30th November 1864, No. 3,424.

The Governor in Council sanctions for entry in the Budget for 1865-66 the estimate of Rupees 39,770 submitted with the foregoing letter, for completing the unmade portion, viz., the 27 miles between the Cuddapah frontier and Anantapore, of Trunk Road No. XII in the Bellary District.
