*Proceedings of the Madras Government, Public Works Department,
30th November 1864.*

No. 601. Read the following letter from J. ROHDE, Esq., Inspector General of Jails, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 15th November 1864, 315:—

SIR,

1. In submitting the enclosed sketch of the Civil prison or Jail proper proposed for this station, I beg your attention, to the specification as giving all particulars which I am now permitted to enter on.

See Proceedings and Order of Government, 28th June 1864.
Order 16th July 1864, No. 1,076.

2. You are aware that the Jail at this station is a house built many years ago; I had it secured as far as I could when the Subordinate Court was established, and it does its duty tolerably well as a Criminal Jail; the present design is of what seems best to me under the circumstances, and I think it will be all that can be desired for many years to come.

3. I trust Government will order its being included in this year's Budget. I estimate the building roughly at from 11 to 12,000 Rupees, this however is no business of mine.

Transferred to the Public Works Department.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No 602. ORDER THEREON, 30th November 1864, No. 3,425.

The sketch and specification received with this letter will be forwarded to the Superintending Engineer, 7th Division, with a request that he will prepare and submit an estimate for the proposed Civil prison at Ootacamund for the sanction of Government.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 7th Division, with two enclosures.
