*Proceedings of the Madras Government, Public Works Department,
2nd December 1864.*

No. 30. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 25th November 1864, No. 1,917.—

SIR,

1. Referring to G. O. No. 3,013 of 20th October 1864, I have the honor to request instructions as to the classification of salt roads—at page 4, the two salt roads Nos. 52, 53 in the Tinnevely District are entered as “Civil Buildings,” while at page 10, No. 126, the salt road in South Arcot is placed under “Communications.”

2. I supposed that the former entry was under a misapprehension, but the Controller insists on it. I shall be obliged therefore by your informing me where the line is to be drawn.

No. 31. ORDER THEREON, 2nd December 1864, No. 3,448.

The Superintending Engineer, 8th Division, will be informed that salt roads should be entered under the head “Communications.”
