Proceedings of the Madras Government, Public Works Department, 2nd December 1864.

No. 42. Read the following letter from Lieutenant-Colonel P. P. L. O'CONNELL, R. E., Consulting Engineer for Railways, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th November 1864, No. 659 :—

Sir,

I have the honor to forward a printed copy of the Proceedings* of Government together with a sketch, plan and estimate for repairing the road from Kulekeri to Ammiappen amounting to Rupees 1,500, and to request that you will be so good as to instruct the Superintending Engineer of the 6th Division, to hold the amount at the disposal of the Agent and Traffic Manager of the Great Southern of India Railway.

No. 758, dated 22nd November 1864.

No. 43. Order thereon, 2nd December 1864, No. 3,454.

The Superintending Engineer, 6th Division, will be requested to report whether he can provide the amount* required from the funds allotted for repairs in the Tanjore or Trichinopoly District. If so, he will be good enough to hold the sum at the disposal of the Agent and Traffic Manager of the Great Southern of India Railway, reporting the source from which the payment has been made.

* Rupees 1,500.

Proceedings of the Madras Government, Financial Railway Department, 22nd *November* 1864.

No. 106. Read the following letter from Lieutenant Colonel P. P. L. O'CONNELL, R. E., Consulting Engineer for Railways; to A. J. ARBUTHNOT, Esq , Chief Secretary to Government, Fort Saint George, dated Madras, 14th November 1864, No. 633.

In Order of the 24th December 1863, sanction was accorded for an estimate for a siding and platform at Kulekeri on the Great Southern of India Railway, amounting to Rupees 1750, and I have now the honor to forward the papers noted in the margin, in which it is proposed that the officers of the Railway Company should repair the road from Kulekeri to Ammiappen, a village situated on Trunk road No. 1, from Tanjore to Negapatam.

No 686.

Letters from Agent, Great Southern of India Railway, No. 1368, dated 29th September 1864, with one enclosure.
,, 1414, dated 27th October 1864.
,, 1438, dated 12th November 1864.
1 Sketch of Road.
1 Plan of Tunnels.
1 Estimate for Rupees 1500.

2. The subordinate who reported on the road, writes—

"Ammiappen is an important town, it has forty large bazaars, an English shop, and several Nottacottah merchants who carry on a brisk trade in grain, cotton, valuable stores, and Indian cloths, the manufacture of which latter affords permanent and continuous employment to a considerable number of weavers."

3. The length of the road is about 2¼ miles. The estimate, which amounts to Rupees 1500, provides for constructing seven tunnels, and for repairing the road as well.

4. I consider that it would be advisable to accept the estimate, which appears to be a very reasonable one, and that the Railway authorities be permitted to carry out the work at once, at the expense of the State.

No. 107. ORDER THEREON, 22nd November 1864, No. 758.

His Excellency the Governor in Council sanctions the estimate for repairing the road from Kulekeri to Ammiappen, amounting to Rupees (1500) one thousand five hundred, and grants permission to the Railway authorities carrying out the work at once at the expense of the State.
