Proceedings of the Madras Government, Public Works Department, 3rd December 1864.

No. 48A. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 30th November 1864, No. 2,052:—

SIR,

In continuation of my letter as per margin,* reporting on the Judgment passed by the Civil Judge of Trichinopoly on appeal in the case of the Andapuram Channel Suit, I have the honor to enclose another Tamil document† (and translation), which is important as relates to the matter of this suit.

Enclosures 2.

* No. 1,775, dated 25th October 1864.

† Takeed from the Tahsildar of Moosery, to the Moonsiff and Puttadars of Moorungakolatúr, dated 31st July 1863.

2. This document has just been received from the Government Vakeel, Trichinopoly, and was forwarded to me by the Executive Engineer, copy‡ of whose letter I enclose.

‡ No 1,137, dated 25th November 1864

3. It will be seen on perusal of the enclosed papers, that the Collector of Salem distinctly stated that the stones of the old Moorungakolatúr anicut were to be used in repairing the Andapuram anicut, in consideration of which the cultivators under the tank supplied from the former work were to be furnished with a new channel from the Curpottanar river, with its head immediately above the Andapuram anicut.

4. The further evidence thus given of the necessity for a new supply channel to the Moorungakolatúr tank is opposed to the Decree passed by the Sessions Judge. I am not aware what order has been passed on my former report, and whether the papers were handed over or not to the Government Pleader, Madras; but I would observe that the period allowed for appealing against the Decree is drawing to a close.

No. 48B. ORDER THEREON, 3rd December 1864, No. 3,456A.

Communicated to the Government Pleader, in continuation of Proceedings, No. 3,455, dated 2nd December 1864.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Government Pleader, with three enclosures.

Exd. T. O'Connor.

From

Captain W. C. Palmer
Executive Engineer Trichinopoly

To

Captain J. Bean R.E.
Supg Engineer 6th Division

Sir

Adverting to my former letters on the subject of the Andapuram suit, I have the honor to inform you that the Government Vakeel has brought to me the accompanying document lately submitted to him by the Murunga Calatur villagers, which he says is of great importance, and that it would be advisable to move the Court to receive the evidence it refers to and to reconsider thereon the Judgment passed by the Civil Judge -

2 From the document in question dated 31st July 1863, it appears that the Collector of Salem decided that water was to be supplied to the Murunga Calatur Tank from the Andapuram Anicut, and that the stones from the Anicut across the same River formerly supplying the Murunga Calatur Tank should be taken for the alterations to the Andapuram Anicut: these orders are entirely opposed to the decisions of the Principal Sudder Ameen of Salem and of the Civil Judge of Trichinopoly who are of opinion that the Channel from the Andapuram Anicut supplying the Murunga Calatur Tank

should

should be blocked up, and if this decision is carried out the last named Tank must be entirely deprived of water as their old Anicut has been dismantled by the Salem Authorities and the stone taken for the repair of the Andapuram Anicuts.

3 The evidence is important, and I therefore forward the matter for your consideration and submission to the Government Pleader and I have to observe that the letters referred to in the Tahsildar's Communication can be obtained on application to the Collector.

I have &c.

(Signed) W. L. Palmer - Captain
Exec: Engr Trichinopoly.

Sir,

Enclosures 2

In continuation of my letter
No. 1775 dated 25th Octr 1864 as per margin, reporting on the Judgment
passed by the Civil Judge of Trichinopoly
on appeal in the case of the Andapparam
Channel suit, I have the honor to enclose
another Tamil document* (and translation)
which is important as relates to the
matter of this suit.

2 This document has just been
received from the Government Vakeel
Trichinopoly, and was forwarded to me
by the Executive Engineer × copy of whose
letter I enclose.

3 It will be seen on perusal
of the enclosed papers that the Collector
of Salem distinctly stated that the
stones

* Taken from the Tahsildar of Shoosy to the Monsiff and Putadars of Moormyakolatur d/31st July 1863

× No. 1137 - dated 25th Novr 1864.

stones of the old Mooranga kolatur Anicut were to be used in repairing the Andapuram Anicut, in consideration of which the cultivators under the Tank supplied from the former work were to be furnished with a new Channel from the Carpottanar River, with its head immediately above the Andapuram Anicut.

The further evidence thus given of the necessity for a new supply Channel to the Moorungakolatur Tank is opposed to the decree passed by ~~the Revision Judge~~ I am not aware what order has been passed on my former report, and whether the papers were handed over or not to the Government Pleader Madras, but I would observe that the period allowed for appealing against the decree is drawing to a close.

I have the honor &c
