*Proceedings of the Madras Government, Public Works Department,
3rd December 1864.*

No 51. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 25th November 1864, No. 1,757;—

Sir,

1. I have the honor to bring to notice, that the expenditure on the work noted in the Canal from Poollairoo, near Weyoor, to the Canal basin at margin has exceeded the allotment for it, viz., Masulipatam. Rupees 2,000, which in G. O. 26th May 1864, No. 1,535, was held to be in excess of the requirements for the work. In Lieutenant-Colonel Anderson's letter (paragraph 1), recorded in G. O. dated 9th August 1864, No. 2,236, it is stated that the allotment granted in excess of the estimate for the Masulipatam canal, will be recovered this year by crediting to it the value of boats to be transferred to other works. If this recovery is effected, and credited against the outlay in the current year, the sum of Rupees 2,000 will be available for some other work. In the Appropriation Return for May 1864, credit was taken for the grant withdrawn, but no orders having been passed by Government on this point in the G. O. dated 9th August 1864, this Office has not therefore posted the amount as re-assigned to the work.

2. Similarly, the sum of Rupees 837, reduced by the same G. O. (26th May 1864) from the allotment for the Trunk Road No. 6, is not authorized to be re-assigned to it by the G. O. dated 9th August 1864, though this would seem to be what Lieutenant-Colonel Anderson required by paragraph 3 of his letter recorded in that G. O.

No. 52. ORDER THEREON, 3rd December 1864, No. 3,458.

1. The Superintending Engineer, 2nd Division, will be requested to report how much of the excess entered against item No. 1 in the Statement reviewed in G. O. No. 1,535, dated 26th May 1864, has been recovered, and whether the Budget allotment of Rupees 2,000, provided for the Masulipatam Canal, will still be required for that work. If not, he will state the manner in which he proposes to utilize the money.

2. The Controller will be informed, with reference to paragraph 2 of his letter, that the allotment for "Masonry works on Trunk Road No. 6" has not been reduced, the explanation submitted by Colonel Anderson, in his letter of 26th July 1864, No. 46, having rendered any reduction unnecessary.

Canal Basin at
Masulipatam.

I have the honor to bring to notice that the expenditure on the work noted in the margin has exceeded the allotment for it viz Rupees 2000 which in G. O. 26th May 1864 N^o 1535 was held to be in excess of the requirements for the work. In Lieutenant Colonel Anderson's letter (para 1) recorded in G. O. dated 9th August 1864 N^o 2286, it is stated that the allotment granted in excess of the estimate for the Masulipatam Canal will be recovered this year by crediting to it the value of Boats to be transferred to other works. If this recovery is effected and credited against the outlay in the current year the sum of Rupees 2000 will be available for some other work. In the Appropriation Return for May 1864 credit was taken for the grant withdrawn,

but no orders having been passed by Government

N.B. is not authorized to be reassigned
