Proceedings in the Public Works Department:—

(Here enter 3rd November 1864, No. 3,164.)

From J. J. FRANKLIN, Esq., Superintendent of Marine, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Marine Department, Fort Saint George, dated Madras, 15th November 1864, No. 3,760.

SIR,

I have the honor to acknowledge receipt of the Proceedings of Government, Public Works Department, of the 3rd instant, referred to me on the 11th.

2. The Government desire information regarding a charge of £600 made by the Pier Contractor, for taking up and relaying the planking of that work. It seems that the expense was incurred in altering the planking, which was laid down for two lines of rails, to suit three, and subsequently four lines. The Pier was, at the time this was effected, under the charge of the Engineer Officer appointed by Government as Controller, and no record is in this Office or among the papers of the late Pier Committee on the subject.

Ordered that Mr. Franklin's letter be communicated to the Public Works Department.

(True Extract.)
