*Proceedings of the Madras Government, Judicial Department,
26th November 1864.*

Read the following papers :—

No. 258. From Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 31st October 1864, No. 1614.

Referring to Memorandum, No. 91, dated 25th instant, I have the honor to report that I sent the plans, &c., of Madura Jail to the Inspector General on the 10th September last, for his counter-signature.

4 Plans.
1 Abstract Estimate.
1 Report.

2. I have only received them back this day, and even now I do not know where the Jail is to be built.

Referred to the Judicial Department, with reference to the orders in that Department, No. 553, dated 19th April 1864.

(Signed) C. A. ORR, Col., R. E.,
CHIEF CLERK, 7th November 1864. Secretary to Government, P. W. D.

Referred to the Inspector General of Jails for explanation, with reference to the last paragraph of Captain Moberly's letter.

PORT SAINT GEORGE, (Signed) A. J. ARBUTHNOT,
11th November 1864. Chief Secretary.

No. 259. From J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Port Saint George, dated Ootacamund, 15th November 1864, No. 314.

In acknowledging the reference of Captain Moberly's note of the 31st October 1864, I have the honor to state that I am still in ignorance of the availability of

the ground I wish the Jail built upon, but that, I presume, no great alteration in the estimates will be needed, and beg that Captain Moberly's present estimates may be included in the Budget.

2. I understood the end of November was the time when such entries should be submitted for the Department Public Works Budget.

3. It so happened that Captain Moberly's letter arrived when I had just returned from a tour; this always delays my work, as two months' office work falls into one.

No. 260. ORDER THEREON, 26th November 1864, No. 1701.

Communicated to the Public Works Department.

2. Mr Rohde is requested to ascertain and report, without delay, whether the site in question is available; and if not, what site can be selected for the new Jail.
