No. 166. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 7th December 1864, No. 2,126 :—

SIR,

In reply to paragraph 2 of Government Order No. 3,455, dated 2nd December 1864, I have the honor to report that I have no documents to show the exact value of the property claimed in the Andapuram Suit, but the Government Vakeel at Trichinopoly states that it must have been Rupees 144, judging from the amount of the Vakeel's fee.

2. An application for the original papers will be made to the Judge the next time he attends Court, and if there is a difference the same shall be communicated to you by telegram.

3. I believe the date for special appeal does not expire until the end of this month, because application was made to the Judge for a copy of his Decree on the 1st October last, but the document was not furnished by him until the 15th of the same month. These dates are endorsed on the copy of the Decree.
