*Proceedings of the Madras Government, Public Works Department,
12th December 1864.*

No. 193. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 24th November 1864, No. 1,736:—

SIR,

I have the honor to bring to notice that there is no coach-house attached to this Office, but a three-stall stable is attached to the building; as there is no office conveyance allowed for this appointment, and I find my own private carriage is likely to be damaged by being left exposed all day in the sun, I request permission may be granted to me to alter one of the stalls into a coach-house, and pay for the same out of the sum of Rupees 50 allowed for contingencies for this Office, as there is a considerable amount of this on hand.

No. 194. ORDER THEREON, 12th December 1864, No. 3,528.

As it would be irregular to charge the cost of the alterations recommended in this letter against the allowance for contingencies for the Controller's Office, the Government request that the Superintending Engineer, 4th Division, will arrange for the execution of the work, reporting the source from which the expenditure may be defrayed.
