SIR,

In submitting for the sanction of Government the accompanying estimate of Rupees 2,670
for purchase of additional carts and bullocks for Neilgherry Range, I have the honor to explain
that the cost of carriage at Ootacamund being exorbitant and supply deficient, Major Farewell
proposes to increase his establishment for the purpose of carting bricks from the Lawrence Asylum
brickfields into Ootacamund, and conveyance of his timber in the other direction. He proposes
to debit their original cost to the sanction for the Ootacamund Court House.
