*Proceedings of the Madras Government, Public Works Department,
12th December 1864.*

No. 214. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 7th December 1864, No. 2,040 :—

SIR,

1. I have the honor to observe that there are numerous buildings in this Division, on some of which repairs are likely to be required. It is impossible for me to specify them in the detail required by Appendix A, particularly on the short notice now given.

2. It is difficult to guess at even Part III, but I have filled up the columns of it as well as I can; I trust that the Government will not bind me to this distribution.

3. I shall retain the Budget till I receive further instructions, but I am prepared to send in all but Appendix A.

4. I would point out that apparently a Superintending Engineer's range in Madras is very different from one in Bengal, as the places named are all large towns, whereas many Sub-Magistrate's Cutcherries and Moonsiff's Courts are situated in hamlets and petty towns where officers of the Department only go to inspect work when called on.

No. 215. ORDER THEREON, 12th December 1864, No. 3,540.

The Superintending Engineer, 8th Division, should submit his Budget for 1865-66 in as complete a form as possible, and without further delay.

Secretary to Government.
