SIR,

1. In continuation of my letter No. 2,522, dated 30th August 1864, I have the honor to submit the accompanying papers since received from the Deputy Collector in charge of the Treasury, Madras District, on the subject of the sums which he represents to be due from the funds held at disposal by this Department on account of compensation for lands taken up in previous years for public purposes.

2. From these papers it appears that the sum Rupees 3,234-14-0, alluded to in my letter above quoted is for land at Egmore taken possession of under G. O. No. 663,* dated 14th May 1859, for an Exercise ground, and that the total amount to be paid on its account is Rupees 3,853-6-10, viz.:-

* Revenue Department.

On account of sum advanced in June and July 1864,	RS. A. P.
by the Revenue Department:	3,234 14 0
For sum remaining to be paid in this year	618 8 10

Proceedings of the Madras Government, Public Works Department, 3
21st November 1864.

3. The other amount, Rupees 80, adverted to in my letter above mentioned is said to be for trees and land in Ally Baugh taken possession of for a road under Extract Minutes Consultations, No. 221,* dated 13th October 1854, which, however, appears on examination of the 'declaration' to relate to land for the Railway Central Terminus, at one time proposed to be erected near the Commander-in-Chief's Bridge, and to bear no reference to a road.

* Railway Department.

4. The total amount applied for by the Collector of Madras is therefore Rupees 3,933-6-10.

From S. R. LOCKE, Esq., Deputy Collector in charge of the Treasury, Madras District, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Saidapet, 3rd September 1864, No. 236.

SIR,

1. I have the honor in reply to your letter dated 30th ultimo, No. 2,523, to state that Rupees 3,234-14-0,† being the compensation paid for land at Egmore, were debited to "E. Works of Internal Improvement and Public convenience" in the Treasury Accounts for June and July 1864.

2. The land was taken under the orders of Government dated 14th May 1859, No. 663.

3. The information called for regarding the road for which 80 Rupees are due will be furnished to you hereafter.

From S. R. LOCKE Esq., Deputy Collector in charge of the Treasury, Madras District, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Saidapet, 23rd September 1864, No. 268.

SIR,

1. The sum of Rupees 80 referred to in paragraph 2 of your letter dated 30th ultimo, No. 2,523, is the value of certain trees on land taken in Ally Baugh for road under the Orders of Government dated 13th October 1854, No. 221, true copy of which is herein enclosed.

2. I beg to enclose copy of the Order of Government No. 663, dated 14th May 1859, under which the land was taken at Egmore, for an exercising ground for the new Cantonment at Landon's gardens.

It is impossible to identify from this statement the estimates to which the several sums should be charged, but this information will be obtained from the Collector and furnished hereafter.

‡ Rupees 3,664-3-1.

2. The whole of the above amount is chargeable to the Delta projects, but I request in addition sanction for Rupees 29-15-3, which I have lately paid for land taken up in Guntur Taluq agreeably to order of Government in the Revenue Department.
