*Proceedings of the Madras Government, Public Works Department,
13th December 1864.*

No. 243. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 5th December 1864, No. 2,107:—

SIR,

1. In reply to Government Order No. 3,313, dated 18th November 1864, paragraph 9, I have the honor to report that the estimate for the new head sluice to the Karpur channel, in the Tanjore District, was sanctioned by Government at such a late period in the last official year from the allotment for "Minor New Works," that it was impossible to avail myself of the grant until the year 1864-65 had commenced.

2. The work was then set in progress, and Rupees 1,017-5-9 out of the estimate of Rupees 1,030 have been spent since May. It was brought into the monthly Appropriation Statement for June 1864, and as it was sanctioned as a "Minor New Work" last year, I was not aware that I could not carry it out this year from the same head of allotment without the special sanction of Government.

No. 244. ORDER THEREON, 13th December 1864, No. 3,555.

Communicated to the Controller of Public Works Accounts.
