*Proceedings of the Madras Government, Public Works Department,
14th December 1864.*

No. 283. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E.,
Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Salem, 6th December 1864, No. 1,569 :—

SIR,

- 1 Plan.
1 Abstract estimate.
1 Specification.

1. With reference to paragraph 2 of
Proceedings of Government in the Public
Works Department No. 1,662 of 14th July 1862,

I have the honor to submit, for the sanction of

Government, the supplemental estimate (Rupees 850) therein required for constructing drains to
Wash-houses of the old Dragoon Barracks at Bangalore.

2. Captain Goddard, when submitting the estimate to this Office in May last attributed the
delay simply to an oversight on his part owing to other urgent requisitions connected with the
new Dragoon Barracks. A specification report which was omitted to be sent with the estimate
was received from Captain Wood on the 3rd instant. I therefore trust that the Government will
overlook the delay that has occurred in complying with their orders above quoted.

No. 284. ORDER THEREON, 14th December 1864, No. 3,574.

1. As the work referred to in this letter appears, from the specification, to have been com-
pleted, the sanction of Government is unnecessary to the estimate submitted by the Superin-
tending Engineer, 5th Division.

No. 1,662, dated 14th July 1862.

2. The very great delay of 2½ years that has
occurred in replying to the Order marginally
noted is by no means creditable to Captain Goddard, late Executive Engineer, Bangalore.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
