Read the following papers :—

No. 296. From Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department of Public Works, dated Masulipatam, 1st November 1864, No. 91.

SIR,

1. With reference to my Budget Statements for 1865-66, submitted on 20th ultimo, I have the honor to forward herewith a Memorandum showing the savings to be effected out of the allotments of the current year for the second Division, from which the Government will observe that a sum of Rupees 14,094 from Kistna and Rupees 4,264 from Nellore out of Budget grants, and Rupees 3,523 from Nellore out of Reserve grant, are available for transfer to other works for which an additional allotment is required.

2. For the present I propose to make the following transfers and solicit the sanction of the Government for the same :—

3. The Kistna embankment, Nos. 6 and 7 referred to above, is a very important work, and in its present state in a great danger of giving way, were an unusually high fresh to occur. I am anxious to strengthen the weakest portions during the dry season, and a further transfer will be recommended should the Range Officer be able to exceed the above expenditure now proposed.

4. Should the Government sanction the above transfers and the sum of Rupees 835* applied for in my letter No. 96, dated 26th instant, there will still be a balance of Rs. 8,474 available.

5. In my Budget Statement referred to above, I have included under the head Computed expenditure an additional sum of Rupees 8,000 over the current year's allotments to the works marginally noted for which an application will be made to Government for transfer from the balance of the savings when I can find that the existing allotments on them are nearly expended.
