No. 363. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Tellicherry, 24th October 1864,
No. 146:—

SIR,

In forwarding the return, of which I am again reminded in your Memorandum No. 59 of
19th October, I have the honor to report that the great delay which has arisen in supplying it is
due to changes in my Office establishment, and to bad management of my Acting Manager and
Head Clerk. The former was charged with the duty of supplying the additional information
called for, and not doing so when the Circuit Office was in Coimbatore should have handed over
the paper for disposal by the latter. He then appears to have laid it by for work in connection
with the Budget of next year; and the return eventually sent for my signature has, as you will
observe, several erroneous entries in it, which my separation from the bulk of my records while
in Wynad prevented my correcting until this day. I trust that future returns will be more
punctually and accurately prepared.
