17th December 1864.*

No. 375. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Camp Calicut, 26th November 1864,
No. 190:—

SIR,

1. The Controller having intimated that the travelling allowance and increased rate of pay
claimed by Mr. Mechanical Engineer Smith
cannot be passed without the special sanction
of Government, I have the honor to submit two abstracts for the same, together with two vouchers,
one Deed of Covenant, one printed set of Regulations, and two Warrants; all of which I request
may be returned to Major Farewell, together with the abstracts when passed.

2. In such cases it might simplify proceedings, and some correspondence, if the Controller
were instructed to obtain the sanction of Government direct on first submission of the abstracts
with proper vouchers.

Referred to the Controller of Public Works Accounts for early and full report.

Do. 24th September " " 2,250
Do. 11th October " " 2,427

1. The Controller of Public Works
Accounts has the honor to state, that as it has
been the practice hitherto to pass increased
rates of salary to Mechanical Engineers only under Government authority, the rate given in Mr.
Smith's last pay certificate has therefore been passed to him by this Office.

2. The Controller is unable to say if Mr. Smith is entitled to the increased rate of pay
claimed by him from the 1st October last, as he is not aware of the date of Mr. Smith's arrival
at Bombay on his first appointment, and suggests, therefore, that application may be made to the
Bombay Government for this information, to reckon the period of his service entitling him to
higher rate of pay, before passing any orders thereon here.

3. In Proceedings No. 2,344, dated 30th September 1859, the Government sanctioned
travelling allowance to Mechanical Engineers at the rate then drawn by Supervisors, and in Pro-
ceedings 11th October 1860, No. 2,118, passage money equal to that provided for Warrant
Officers. These rules having been superseded, however, by G. O. 18th June 1863, No. 1,599,
and no provision having been made in the Budget for changes of this nature, viz., travelling
charges and passage money, the special sanction of Government is required for these; and the
source from which they are to be met requires also to be indicated.

(Signed) J. F. FISCHER, Captain, R. E.,
Controller of Public Works Accounts.

No. 376. ORDER THEREON, 17th December 1864, No. 3,619.

1. Resolved that Mr. Smith's claim to increased pay from the 1st October last be referred
to the Government of Bombay.

2. The Government authorize the Controller to pass Mr. Smith's travelling allowance bill of
Rupees 108-1-0 for the journey from Bombay to Ootacamund. The charge will be met from
savings under the head " Travelling Allowances" in Part III of the Budget.
