*Proceedings of the Madras Government, Public Works Department,
19th December 1864.*

No. 396. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 10th December 1864, No. 4,626 :—

SIR,

1. In July last the Collector of Madras forwarded to me, with his approval, estimates amounting in the aggregate to Rupees 1,500 for repairs and improvements to the Chetput tank at the Presidency, which he had received direct from the Assistant Engineer, Northern Range. These estimates have been since revised and they now amount to Rupees 1,590, viz :—

2 Estimates.
1 Plan.

Repairs to tank bund Rupees 1,240
Constructing sluice " 350

2. All the funds for repairs and minor new works having been appropriated, I originally intended putting off the proposed improvements to the Chetput tank until next year; but as I have lately been requested by the Collector to issue early orders for the execution of the work owing to the bund being in a weak condition, I have the honor to recommend that sanction be given for the transfer of the undermentioned savings which have been effected on the allotments for certain works, to meet the estimated cost Rupees 1,590 :—
