MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Inspector General of Ordnance and Magazines, Fort Saint George, 24th November 1864, No. 228; to the Secretary to Government, Military Department.

I have the honor to bring to notice that the Scientific Instruments in the Grand Arsenal and Stationery Dépôt have, on a recent examination by Mr. Doderet the Mathematical and Scientific Instrument-maker attached to the Department Public Works, been found to be generally in a condition requiring repair, many of these repairs, it may be presumed, might have been obviated if the Instruments had been constantly under the supervision of a person possessing Mr. Doderet's qualifications. I beg therefore to recommend, that all the Mathematical and Scientific instruments in the Grand Arsenal and Stationery Dépôt, be made over to the Department Public Works, and supplies required to meet Indents on the Ordnance Department, obtained therefrom, on Receipts of the Ordnance Officer Grand Arsenal, or Superintendent of Stationery, from time to time as required.

2. The arrangement is one which has been approved of by the Department Public Works, and will entail very little extra trouble, and I beg therefore to solicit the sanction of Government to the measure.

ORDER, No. 4441, 13th December 1864.

Approved.
