MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General, Fort Saint George, 15th December 1864,
No. 11,358; to the Secretary to Government, Military Department.

I have the honor, by order of His Excellency the Commander-in-Chief, to request the orders of Government regarding the disposal of the buildings at Waltair now occupied by the B Battery 20th Brigade Royal Artillery, and which will be vacated when the Battery leaves Waltair, as ordered on the 1st January.

2. Some of the buildings are hired, the rest are of a temporary nature, erected by Government on the ground attached to the hired houses.

3. The property was rented on the understanding that when no longer required, the temporary buildings erected might be disposed of on account of Government, and the ground cleared. Till this is done, the proprietor will probably demand payment of the usual rent, as he will scarcely be able to obtain another tenant until the temporary buildings are cleared away.

ORDER, No. 4542, 17th December 1864.

The Governor in Council observes, that as the conditions on which the houses rented for the accommodation of the Battery of Artillery at Waltair involved the removal of the temporary buildings erected by Government when those hired were no longer required, immediate measures will be taken for the disposal of the materials of the buildings in question to the best advantage; the ground being cleared by the Department of Public Works.

2. Option may, however, be given to the proprietors of the rented houses to take over the temporary structures erected on their ground at a reasonable valuation, should they wish it.
