*Proceedings of the Madras Government, Public Department,
14th December 1864.*

No. 91. Read the following letter from Captain J. MITCHELL, Superintendent Government Central Museum, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George; dated Madras, 7th December 1864, No. 183.

I have the honor to solicit your assistance, in obtaining for me the addition of some godowns to the residence now building for the Superintendent of the Government Museum.

2. The expenditure, to which the Engineer Department was limited, only left sufficient money (after providing for the dwelling house and stabling) to build a moderate sized cook-house and some store-rooms. I need hardly say, are absolutely necessary. There is no spare room in the house, on the contrary, we shall, I fear, be put to very much inconvenience, if not discomfort, for want of room, as there is only about half the room that I have in my present residence which I do not find in excess of the wants of my family.

3. Under these circumstances, I hope His Excellency the Governor in Council will be pleased to authorize the expenditure of such additional sum, as he may see fit, for the purpose above specified.

No. 92. ORDER THEREON, 14th December 1864, No. 1415.

Orders will be issued in the Department of Public Works for the preparation of a plan and estimate, for the addition of godowns to the residence now being built for the Superintendent of the Government Museum.
