*Proceedings of the Madras Government, Public Works Department,
22nd December 1864.*

No. 498. Read the following letter from Captain J. MULLINS, R. E., Consulting Engineer for Irrigation and Canal Company, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 15th December 1864, No. 181:—

SIR,

2 Letters from the Agent, in original.

1. I have the honor to forward, for the consideration of Government, a letter No. 2,111 of the 8th instant, from the Agent and Manager, Irrigation and Canal Company, asking for permission to retain Mr. Budd's services for a short time after the arrival of Mr. Badham, the new Chief Accountant appointed by the Board of Directors to succeed Mr. Budd. The proposed arrangement has been approved, it will be observed, by the Board.

2. As Mr. Henslowe did not in the above letter mention the time during which he would require the assistance of both the Chief Accountants, he was asked to afford this information, and he has fixed the 20th instant as the day on which Mr. Budd's employment will terminate, and I beg to recommend therefore that authority be given to pass Mr. Budd's pay up to that date inclusive.

3. It will be seen from the enclosed letter* from the Agent, that he is without specific instructions from the Board as to the date from which Mr. Badham's salary is to be passed to him, and Mr. Henslowe suggests that, in conformity with the usual arrangement, in the case of similar engagements, the new Chief Accountant be considered entitled to his salary from the date of embarkation, and I would suggest the sanction of this proposition, subject to the approval of the Board.

* No. 2,128, dated 9th December 1864.

No. 499. ORDER THEREON, 22nd December 1864, No. 3,678.

1. The Government grant authority for Mr. Budd's services being retained, as proposed, until the 20th instant, and for his salary being passed to him up to that date.

2. The proposal in paragraph 3, is approved.
