*Proceedings of the Madras Government, Public Works Department,
23rd December 1864.*

No. 506. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 9th December 1864, No. 4,591:—

SIR,

In October 1863 I obtained from the Executive Engineer, Southern Range, Presidency, an advance of Rupees 30, to meet the contingent charges of this Office, and instructed him to enter the amount in his accounts under the usual head "Advances for Salaries, Establishments and Contingencies." This has accordingly been done up to the present time. In reviewing, however, the Presidency accounts for October last, the Controller called upon me to arrange for the early adjustment of the sum in question; I have therefore the honor to request that sanction may be granted to the amount being allowed to continue as a standing advance in the same manner as was formerly authorized in the case of District Engineers, the sum in their case, however, having been Rupees 50.

No. 507. ORDER THEREON, 23rd December 1864, No. 3,682.

Sanctioned accordingly.

(True Extract.)
