MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :-
From the Inspector General of Ordnance and Magazines, Fort Saint George, 5th
December 1864, No. 244 ; to the Secretary to Government, Military Department.

I have the honor to bring to the notice of Government, that the Superintendent
Gun Powder Manufactory has submitted an emergent requisition for the provision
of suitable Latrines for the convenience of the labourers employed at the Manufac-
tory, the necessity for which is now beginning to be felt, the places hitherto used
on such occasions being now appropriated for the Steam Mills, and the only spot
remaining available as a place of resort has become, in consequence, an intolerable
nuisance during the prevalence of the North-east winds.

2. I beg, therefore, Government will be pleased to direct that early steps be
taken for the construction of the Latrines by the Public Works Department; the
ground for the purpose being selected by the Superintendent of the Manufactory.

With Report from the Acting Controller of Military Accounts, 9th December 1864, C.

ORDER, No. 4526, 17th December 1864.

Communicated to the Department Public Works, in view to Plans and Estimates
for the work in question being submitted for sanction.
