*Proceedings of the Madras Government, Public Works Department,
11th April 1864.*

Read the following papers :—

No. 245. From Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 22nd March 1864, No. 305.

SIR,

4 Letters Nos. 380, 258, 73 and 16.
1 Contingent Bill.

1. I have the honor to solicit the sanction of Government to the following items, which appear month after month in the Statement of advances in the Bellary District, namely :—

	RS.	A.	P.
Advanced to Peerrazooloo...	70	0	0
Do. do. ...	15	0	0
Do. to Mr. Price's extra Lascars ...	36	0	4
Office rent from 1st to 23rd July 1863, at Rupees 12 per month ...	8	14	5

2. The records in my Office do not explain very clearly the exact reasons why some of these items were advanced, but with regard to the first two, it appears from copy of a letter here-
No. 16. with enclosed from Captain Fischer, then District Engineer of Bellary, to the Chief Engineer Public Works Department, dated 13th May 1858, that the name of Peerrazooloo, a Sub-Overseer 1st Class, 3rd grade, was omitted in a list of Subordinates furnished by the Chief Engineer to the Civil Auditor, who therefore declined passing the Sub-Overseer's pay abstract; the sum of Rupees 70 appears to be the amount of his pay for May and June 1858, at Rupees 35 a month, whilst the other item Rupees 15 was advanced to him as travelling allowance for one month.

3. The sum of Rupees 36 was pay for July 1858 due to extra Lascars employed under Mr. Assistant O. Price whilst engaged in the investigation of the Toongabuddra project by order of Lord Dalhousie, vide Orders Nos. 1,287 and 1,679, dated 3rd July and 4th September 1857.

4. Until the re-organization of the Department in July last, Captain Babington, Acting District Engineer of Bellary, drew Rupees 30 per mensem as Office rent; this allowance ceased on the 1st July last, but Captain Babington did not finally hand over the records of his Office to Mr. Supervisor Porter until the 23rd idem, up to which date he rented a small house for the security of Government records at the rate of Rupees 12 per mensem; as Captain Babington paid this money from General Funds it remains as an advance until sanctioned by Government.

5. I beg to observe that the above items amounting in the aggregate to Rupees 129-14-5 can be charged to salaries, and will be more than covered by the saving of Rupees 50 a month undrawn in my monthly Office establishment bill on account of Office rent.

Referred to the Controller and Auditor of Public Works Accounts for his opinion on the mode of adjustment proposed by the Superintending Engineer, 3rd Division.

Chepauk,
30th March 1864.

I have the honor to acknowledge the sanction of Govt.
to the following items which appear month
after month in the statement of advances in the Bel.
District, namely

Advances to Perragooloo	40
do do	15
do to Mr. Price's Extra Lascars	36
Office paid from 1 st to 23 rd July 1863 at Rs 12 per month	8.14.5

N^o 16.

2. The records in my Office do not explain very
clearly the exact reasons why some of these items were
advanced, but with regard to the first two, it appears
from copy of a letter herewith enclosed from Captain
Fischer, then District Engineer of Bellary to the Chief En-
gineer P. W. D. dated 13th May 1858, that the names of
Perragooloo, a Sub. Cobber 1st Class 3rd Grade was omitted
in a list of subordinates furnished by the Chief Engineer
to the Civil Commission, who therefore declined paying the
Sub. Cobber's pay abstract, the sum of Rs 40 appears to be
the amount of his pay for May and June 1858 at Rs 35 a
month; whilst the other item Rs 15 was advanced to him
as travelling allowance for one month.

3. The sum of Rs 36 was pay for July 1858 due to
the lascars employed under Mr. Asst. Engineer Price who
was engaged in the investigation of the Pongabuddra project
by order of Lord Harris, vide Orders N^o 1287 and 1679
dated 3rd July and 4th September 1857.

4. Until the reorganization of the Department in
July last, Captain Washington Esq. District Engineer of
Bellary drew Rs 30 per month as office and; this
allowance ceased on the 1st July last, but Capt. Wabm.

- Mr. did not finally hand over the records of his Office to
 Mr. Soper until the 33rd Feb, up to which date
 he printed a small book for the security of Government
 records at the rate of Rs 12 per manuscript; as Captain
 Hasting paid this money from Civil Fund, it stands
 as an advance until sanctioned by Government.
 5. They also found that the above items amounting
 in the aggregate to Rs 129. 14. 5. Can be charged to balance
 and bill, more than covered by the saving of Rs 50
 a month and more in my monthly Office establishment
 bill, on account of Office rent.
