*Proceedings of the Madras Government, Public Works Department,
12th April 1864.*

No. 278. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th April 1864, No. 6,052 :—

SIR,

1. In November last I authorized, under the amended Clause VII, paragraph 1, Chapter XXIV of the new Code, for execution from the sum, Rupees 8,000, set apart for minor new works in North Arcot, an Estimate amounting to Rupees 90 for constructing gate pillars to the Chittoor Jail, and in January following I also sanctioned under the same rule and from the same source, an Estimate Rupees 90 for improving the ventilation of the side rooms of the Sub-Magistrate's Cutcherry at Calastry; but the Controller now informs me that such sanctions have been removed from my list of appropriation, as under existing rules I am not authorized, except at the Presidency, to allot funds from "Minor New works," for the improvement of or alterations to buildings except for emergent Military works.

2. The clause (amended) that I have referred to thus becomes a dead letter. Authority is given to me on the one hand to sanction alterations and improvements up to 100 Rupees in communication with the Head of the Department concerned, but on the other hand it is rendered null by the fact of no funds being held at my disposal for the purpose.

3. The grants made to the Districts for minor new works being taken from the General Reserve Fund, should, I think, be available for expenditure on the same description of works (only on a smaller scale) as that fund is applied to.

4. In the present instance I have to request that Rupees 180, required for the two works above cited, may be transferred from the grant of minor new works, 8,000 Rupees, to the Reserve Fund and be given back to me out of that source.

No. 279. ORDER THEREON, 12th April 1864, No. 1,023.

The transfer proposed in paragraph 4 is unnecessary. As Colonel Boileau states that the amounts of the two Estimates alluded to in paragraph 1 can be provided from the allotment, Rupees 8,000, for minor new works in the North Arcot District, the Governor in Council sanctions the execution of the works from that source.
