Read the following letter from Captain H. W. WOOD, R. E., Assistant Engineer, Fort Range, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Fort Saint George, 4th April 1864, No. 848.

SIR,

With reference to your Memorandum, No. 5,080, dated 20th February 1864, I have the honor to inform you that I have sold the old Cadets' quarters near the Choultry Gate Fort Saint George for a sum of Rupees 2,150 to Contractor Soobaroyal Naidoo, who has bound himself to remove the whole of the building and to leave the ground on which it stands clean and level within three months from the date of his agreement. The Contractor has also lodged Rupees 500 as security for proper fulfilment of his contract.

Submitted to Government for information with reference to their Proceedings No. 349, dated 2nd February 1864, and with a request that sanction may be given for the purchase money in question being paid into the Bank of Madras, to the credit of Government, as it appears that no portion thereof or of any other funds is required for the removal of the building, the purchaser having undertaken its demolition at his own cost.
