Proceedings of the Madras Government, Revenue Department, 7th April 1864.

No. 148. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government Department, Public Works, dated Camp Dowlaishweram, 27th March 1864, No. 2,429 :—

SIR,

No. 366 of 4th February 1864. 1. With reference to the Order of Government as per margin, desiring that the towers at the corners of the building should not be omitted in the sanctioned Cutcherries of Amalapore and Ramachendrapore,

No. 174 of the 24th March 1864. I beg to submit a Plan, an Estimate, and a letter in original from Mr. Acting Executive Engineer Rundall, and to request the sanction of Government to the extra expenditure of 900 Rupees at each of the two buildings above specified.

2. These towers were omitted by me in sending up the original Estimate, because they seemed out of place in the midst of the unarmed, peaceful population of the Godavery Delta, and because by reason of their loop-holes they afforded the prisoners a means of communication with their friends without and laid the records open to danger from an incendiary : but now, in pursuance with the Orders of Government, the cost of their construction is estimated for.

3. I have not taken upon myself to order Mr. Rundall to lay down their foundations in anticipation of sanction being accorded to his Supplemental Estimate, and consequently request early instructions in the matter.

Referred to the Revenue Department, with reference to paragraph 2 of the Order in that Department No. 72, dated 13th January 1864.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P.W.D.

4th April 1864.

No. 149. ORDER THEREON, 7th April 1864, No. 590.

Under the circumstances Government will dispense with the towers.
