Proceedings of the Madras Government, Public Works Department, 13th April 1864.

No. 330. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 6th April 1864, No. 2,927 :—

SIR,

1. In reply to G. O. No. 920, dated 2nd instant, paragraph 1, I have the honor to state that if the Government now direct the sum of Rupees 4,420, therein referred to, to be charged as outlay on *Works*, and not on Establishments, the Superintending Engineer, 3rd Division, will be requested to bring the same accordingly in his Progress Report for the current month. The sanction of this sum was recorded as an addition to the grant on account of Establishments, because its appropriation from the Reserve at the disposal of the Local Government was specially applied for and sanctioned by the *Government of India*, whose sanction is *not required for appropriations for minor works or surveys*, but is necessary for temporary Establishments, entertained out of the Reserve. Under the Circular No. 6 of 23rd January 1862, all permanent,* as well as temporary, work Establishments are to be pre-audited in this Office, and entered under the one head of "*Establishments.*"

* See paragraph 6 of the Resolution of Government of India, dated 23rd January 1862, and paragraph 2 of Resolution of same Government, dated 4th February 1863.

2. In reply to paragraph 2, I beg to report that the increased outlay on the compound walls to the Tomb at Masulipatam was not passed in this Office without previous reference to the Superintending Engineer. His explanation was called for in a Memorandum of remarks on his report of progress for July 1863, in which Rupees 274-15-7 were shown to have been spent without authority, and the Superintending Engineer reported in reply that the sanction of Government had been applied for in his letter No. 81, dated 15th September 1863, for appropriating the necessary amount from the savings from other works, and this sanction was accorded in G. O. No. 772, dated 14th March 1864, paragraph 6.

No. 331. ORDER THEREON, 13th April 1864, No. 1,053.

The Governor in Council directs that the sum of Rupees 4,420, referred to in paragraph 1, be charged in the accounts of the Superintending Engineer, 3rd Division, as "outlay on works" in accordance with Rule XVII, in Circular No. 6 of 1862 from the Government of India.
