4. Adverting to the remarks made opposite to the Orders marginally cited, the Superintending Engineer is requested to follow the course indicated in paragraph 3 of G. O. dated 10th June 1863, No. 1,485.

5. Opposite to some of the requisitions entered in the margin the Superintending Engineer states that the works referred to therein have been sanctioned, but he omits to quote the Orders of Government upon the subject; while in the remarks entered against the others he alludes to the letters of the District Engineers, &c., but does not say how those letters were disposed of. As all these requisitions remain unreplied to in the Unanswered Reference Register of

this Office, Lieutenant-Colonel Walker is requested to quote the Orders of Government finally disposing of the subjects, or to refer to the letters of the late Deputy Chief Engineers, Central and Southern Circles, (whose records are now in his possession), submitting the information called for.

6. The Superintending Engineer is requested to report under what circumstances the Orders noted in the margin are held in abeyance, and how he intends meeting the requisition in Proceedings dated 19th September 1862, No. 2,246, for traffic returns of certain roads in the Malabar District.

No. 2,025, 22nd Oct. 1861.
„ 2,504, 31st Dec. „

7. In Proceedings dated 6th December 1862, No. 2,929, the Government requested to be informed, when the Lawrence Asylum works were commenced, whether it would be cheaper to use the Steam Saw machine of the Public Works Department at Wellington, or to set up one at Ootacamund to be worked by wind or water or by both. Colonel Walker will be good enough to submit a separate report upon this subject at an early date.

8. Referring to the Order dated 3rd September 1862, No. 2,096, calling for an Estimate for repairing the road from the foot of the Toonecadavoo Hills towards Colangode, in the Coimbatore District, the Superintending Engineer requests to be informed whether the communication is still required by the Forest Department. The subject will be referred for consideration to the Revenue Department, by which Department the Estimate was originally called for.

9. The Orders mentioned below not having been replied to, the Superintending Engineer is requested to include them in his future returns of Unanswered References:—

G. O. No. 2,200, 5th August 1863, paragraph 23. To furnish certain information regarding the Quay at Mangalore.

G. O. No. 2,419, 25th August 1863. To submit an Estimate for the Charmady bridge over the Nullah at the foot of the Charmady Ghât in the Canara District.

G. O. No. 1,735, dated 1st July 1863. To report the source from which the cost of repairing Bishopsdown at Ootacamund in the Coimbatore District is to be met.

G. O. No. 2,364, dated 19th August 1863. To report the amount of funds required for constructing toll-bars on the Segoor Ghât and on the road from Coimbatore Railway Station to Ootacamund.
