Proceedings of the Madras Government, Public Works Department, 14th April 1864.

No. 349. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 4th April 1864, No. 6,027 :—

SIR,

I have the honor to submit for the orders of Government the accompanying letter from the Executive Engineer Mount Range, recommending that travelling batta be granted to the Apprentices of the Department; it is often found necessary to employ them on Survey duties, and considering the smallness of their salary I think that there are sufficient grounds to warrant the indulgence, which Captain Rogers has asked for in their behalf, being granted.

1 Letter, No. 804, dated 24th March 1864.

No. 350. ORDER THEREON, 14th April 1864, No. 1,062.

As the expense involved in the measure advocated by the Superintending Engineer, 4th Division, will be very trifling, the Governor in Council sanctions the grant of travelling batta to the Apprentices of the Public Works Department when employed on Survey duties, on the condition that the total amount provided in the Budget under the head "Batta for Office Establishments" in each Division is not exceeded.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 4th Division.
To all other Superintending Engineers.
To the Controller and Auditor of Public Works Accounts.
