Proceedings of the Madras Government, Public Works Department, 14th April 1864.

No. 367A. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Palamcottah, 9th April 1864, No. ——:—

SIR,

1. Referring to my Statement forwarded yesterday, I have the honor to request that you will deduct Rupees 450 from the Rupees 2,289, which I proposed to give up in the Tinnevelly District.

2. I have just received from the Collector an emergent requisition for the extension of the Salt platform at Coilpatnam, which can be done immediately, and will cost the above amount which I propose to sanction under paragraph 2, Chapter XXIV, New Code, there not being room now to store the Salt already manufactured.

No. 367B. ORDER THEREON, 14th April 1864, No. 1,070A.

1. Under the circumstances stated, a deduction of Rupees 450 has been made from the amount reported in the Statements submitted with the letter from the Superintending Engineer, 8th Division, No. —— dated 7th April, as likely to remain unexpended from the current year's allotment for minor works in the Tinnevelly District.

2. The Government fails to see that paragraph 2, Chapter XXIV of the Public Works Code, vests Superintending Engineers with authority to sanction new works under the head "Salt," or to divert funds for their execution from grants sanctioned for specific purposes such as that for "minor new works." Captain Moberly will accordingly be requested to furnish further explanation on these points.

No. 640, dated 1st April 1862.

3. The Superintending Engineer's attention will be requested to the Orders marginally noted on the subject of "improvements to Salt works."

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 8th Division.
„ Controller and Auditor of Public Works Accounts.

Exd. S. T. Augustin.

No. 1070 dt. 3d.

Under the circumstances stated
a deductions of Rs. 450 has been made from the
amount proposed in the Statements submitted
with the letter from the Superintending Engineer
8th Division No. 8/7 dt. April
