In the Statements above recorded, Captain Gahagan affords information regarding the funds likely to remain unspent in the two remaining Districts on the 30th instant.

2. In South Arcot Rupees 3,500 are shown to be available from the allotment for New Works and rupees 4,000 from that for Repairs. Deducting, however, from the former of these sums Rupees 1,510, diverted in G. O. No. 774, dated 14th March 1864, from the allotment for the work marginally noted, there remains a balance of Rupees 1,990 which will now be carried to the credit of the Reserve.

Bridges on the road from Cuddalore to the Salem frontier.

3. The attention of the Superintending Engineer will be called to the following discrepancies in column 5, Statement No. II, for the South Arcot District, and he will be requested to submit a revised return, with full explanation, at an early date.

4. The allotment in the Budget under the head "Tanks Current" is Rupees 28,037. Deducting from this amount Rupees 1,500 transferred to Bangalore in G. O. No. 449, dated 13th February 1864, there remain only Rupees 26,537 and not Rupees 28,011 as entered in the Superintending Engineer's Return.

5. Again, from the Budget allotment of Rupees 28,429 for "Irrigation Canals" Rupees 2,250 should have been deducted under the orders marginally noted, and Rupees 26,179, instead of Rupees 27,926, entered in the Statement under review.

13th February 1864, No. 449.

6. Authority is granted for carrying to the credit of the Reserve the sum of Rupees 9,573, stated to be available from the allotment for Bangalore.
