Proceedings of the Madras Government, Public Works Department, 15th April 1864.

No. 382. Read the following letter from Major-General S. O. E. LUDLOW, Consulting Engineer for Irrigation and Canal Company, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 7th April 1864, No. 177 :—

SIR,

1. I have the honor to forward the accompanying letter* from the Acting Agent, requesting sanction for an increase of Office rent in the Hindri Division from Rupees 15 to 25 per mensem. The Executive Engineer of the Division states that a part of the house occupied by himself is used as his Office, and that the increased rent now asked for, viz., Rupees 25, bears but a small proportion to the rent paid for the whole building; the Chief Engineer is of opinion that as the Anicut Office is fully occupied by stores and no residence for the Executive Engineer near that building is available, the increase of Office rent should be sanctioned.

* No. 2,422 of 24th March 1864.

2. Under these circumstances I beg to recommend that the request of the Acting Agent may be complied with.

No. 383. ORDER THEREON, 15th April 1864, No. 1,078.

The Governor in Council sanctions the increase of Office rent in the Hindri Division, recommended by the Consulting Engineer Irrigation and Canal Company.
