Dated 18-4- 1866.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 18th April 1864.

No. 441. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp Madanapalle, 9th April 1864, No. 319:—

SIR,

In the list of Estimates for Military buildings at Bellary, submitted by the Quarter Master General with his letter No. 201/7,127, dated 2nd September 1863, provision is made for a well to be sunk in the Hospital compound, but an Estimate for this work was not forwarded with my letter as per margin* as there is rock two feet below the surface of the ground in that locality and it would not be advisable to carry on blasting operations near so large a building.

* No. 314, dated 9th April.

No. 442. ORDER THEREON, 18th April 1864, No. 1,108.

Communicated to the Quarter Master General of the Army with reference to G. O. No. 2,795, dated 26th September 1863.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

No 319.

From

Lieut. Colonel E. Henery R.E.
Superintending Engineer
3d Division

To,

Colonel Charles A. Orr R.E.
Secretary to Government
Public Works Department

Sir

In the list of estimates for Military Buildings at Bellary submitted by the Quarter Master General with his letter No 201/1127 dated 2d September 1863, provision is made for a well to be sunk in the Hospital Compound but an estimate for this work was not forwarded with my letter as per margin x as there is rock two feet below the surface of the ground in that locality and it would not be advisable to carry on blasting operations near so large a building.

I have the honor to be
Sir
Your Most Obedient Servant
