Proceedings of the Madras Government, Public Works Department, 19th April 1864.

No. 474. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 11th April 1864, No. 85:—

SIR,

1. I have the honor to acknowledge receipt of your Memorandum No. 20, dated 6th instant, requesting me to state whether any funds could be expended on the works referred to in G. O. No. 144, dated 15th January 1864, during the current official year. I have the honor to report that in consequence of there being barely a fortnight (allowing for time for the order to reach) left for the Range Officer to take up the works, I do not think that he will be able to expend above 1,000 Rupees for which* a supplemental cash Estimate is herewith forwarded.

* And for sums required for other works.

2. The Government, it will be observed, prohibited the commencement of the works in question on my application dated 21st December 1863, No. 37.

No. 475. ORDER THEREON, 19th April 1864, No. 1,125.

To avoid delay the Government resolves to sanction a sum of Rupees 1,000 from the Reserve to admit of the commencement of the works referred to in G. O. 15th January 1864, No. 144, and the supplemental Estimate of funds submitted will be forwarded to the Accountant General. Colonel Anderson will be requested to report, however, how much it is proposed to spend on each of the six works for which the grant is now authorized.
