*Proceedings of the Madras Government, Public Works Department,
20th April 1864.*

No. 482. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government,
Department Public Works, dated Camp Dowlaishweram, 11th April 1864,
No. 2,518 :—

SIR,

No. 2,480 of 6th April 1864.

1. Since addressing Government on the subject of the sums that would remain unexpended in this Division on the 1st of May next, from the allotments made in the present year, I have ascertained from a personal inspection of the Lock and Calingulah in the Akeed Canal, that in all probability 1,000 Rupees more will be expended there than I have made allowance for : for this I have applied to Government by telegraph.

2. Further, though Mr. Hudson's absence in a distant part of his Range prevents me from stating exactly what his expenditure will be on the Vizianagram and Chepurpilly line, for which 12,500 Rupees were allotted by Government, still, judging from his past months' expenditure I think it likely that 3,000 Rupees of this grant will remain unspent.

No. 483.

ORDER THEREON, 20th April 1864, No. 1,129.

1. The sum of Rupees 1,000 applied for on account of the Akeed Canal has been already placed at the disposal of the Superintending Engineer, 1st Division. Vide Proceedings No. 1,026, dated 11th April 1864.

2. Under the opinion expressed in paragraph 2, the Government directs that the sum of Rupees 3,000, which is reported as likely to remain unspent on the 30th instant from the allotment* (Rupees 12,500) for the Vizianagram and Chepurpilly road, be carried to the credit of the Reserve.

* See G. O. No. 495, 19th February 1864.

exactly what his expenditure
will be on the Vineyard
and Sheepwilly line, for which
12,500 Rs were allotted by Govern-
ment, still, judging from his
