*Proceedings of the Madras Government, Public Works Department,
20th April 1864.*

No. 498. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Camp Dowlaishweram, 12th April
1864, No. 2,542:—

SIR,

1. In acknowledging the receipt of G. O. No. 892 of 31st ultimo, I do myself the honor
of stating in explanation that the sum of Rupees 10,000 entered in the Statements forwarded
with my letter No. 316 of 19th April 1864, as expenditure up to 30th April 1863, on the road
from Mojagoda to Sankarakole, appertains only to the year 1862-63, and that, through inadvert-
tence, the outlay on this work in the year 1861-62, was omitted to be shown in the Statements
referred to.

2. The outlay on this road up to the end of last official year is, therefore, Rupees 21,165 ;
to this, if the net expenditure incurred in this year up
to 1st March be added, the entire expenditure will be
Rupees 30,587, and not Rupees 30,854. The difference of
these two amounts, viz., Rupees 267, is the sum recovered from
the current year's expenditure.

Rupees 21,165
" 9,422
<hr/> 30,587

3. By grants to other works, Government reduced the allotment of the Sankarakole road
from 16,900 to 9,390 Rupees this was done at my suggestion.

4. I imagined that on the departure of the Sappers, Mr. Lever's expenditure would fall off,
but the Khonds coming forward in numbers as laborers, the expenditure has been raised to
Rupees 10,459 up to the 1st instant.

5. The work has now stopped for the season, but some little expenditure may still
be made in the present month, I consequently request that Government will grant me an addi-
tional sum of Rupees 1,410 from the " Reserve," which will raise this year's allotment to
Rupees 10,800.

No. 499. ORDER THEREON, 20th April 1864, No. 1,137.

Under the circumstances represented in the foregoing letter, the Governor in Council grants
authority for a sum of Rupees 1,410 being placed at the disposal of the Superintending Engineer,
1st Division, from the current year's Reserve for the road*
from Mojagoda to Sankarakole in the Ganjam District.
(True Extract.)

* Estimate Rupees 49,700.
