No. 611. From J. R. BOYSON, Esq., Government Solicitor, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 23rd April 1864, No. 201.

SIR,

1. I have the honor to state that, on receipt of the Proceedings of Government noted in the margin, I applied to the Engineering Department for a rough Estimate of the value of the land and buildings between the Dewan's property and Pycroft's road on the South Beach, which by the orders above noted, I am directed to purchase on behalf of Government.

Dated 6th April 1864, No. 15, Public Department.

2. In compliance with my request Captain Beckley, the Acting Executive Engineer, Presidency, has been kind enough to furnish me with the rough valuation herewith submitted, giving 40,000 Rupees as the probable approximate value of such land and buildings.

3. I shall, of course, have each lot and building carefully and separately *re*-valued, and shall endeavour to make the best arrangements I can on behalf of Government, doing justice, at the same time, to the owners of the property.

4. I have, therefore, the honor to request that Government will be pleased to place Rupees 40,000 at my disposal, with a view to my applying so much of it as may be necessary for the purposes in question.

5. I have also to request, that a further sum of Rupees 6,000 may be disbursed to me to enable me to complete the purchase of the Dewan's property, for which I have not yet been able to make any final arrangement.

6. I shall, early in the ensuing week, submit to Government a detailed report of the result of my proceedings in connection with my recent purchases at Chepauk for Government.

No. 612. ORDER THEREON, 26th April 1864, No. 1,194.

1. The Governor in Council grants authority for a sum of Rupees 46,000 being placed at the disposal of the Superintending Engineer, 4th Division, from the current year's Reserve for the purchase of the huts, &c., referred to in the papers recorded above.

2. A Supplemental Estimate of funds providing for this amount has been forwarded to the Accountant General, and Colonel Boileau will be requested to arrange for its being drawn and made over at once to the Government Solicitor, so that the disbursement may appear in the accounts of the 4th Division for the current month.
