Proceedings of the Madras Government, Public Works Department, 26th April 1864.

No. 619. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 20th April 1864, No. 6,379:—

SIR,

1. On the 30th ultimo Messrs. Pharoah & Co., forwarded to me the accompanying note giving cover to a bill for Rupees 32-3-0 on account of certain printed forms furnished in January 1859 to Mr. Dopping, when Acting as District Engineer in North Arcot. Mr. Dopping admits that the forms were supplied to him, and states that if the bill had been presented in due form it would have been paid and charged in the Contingent bill.

1 Bill.
1 Note dated 30th March 1864.
1 Letter dated 10th April.

2. No charge appears to have ever been made in the Office Accounts for these forms, and as there seems but little doubt that the money claimed by Messrs. Pharoah & Co. is really due, I recommend that the Controller and Auditor of Public Works Accounts may be authorized to pass it from the savings effected this year on the contingent allowance for this and the Range Offices.

3. Messrs. Pharoah & Co. assign as a reason for not submitting the bill earlier, the death of their senior partner and subsequent changes which arose therefrom in the firm.

No. 620. ORDER THEREON, 26th April 1864, No. 1,198.

The Controller is authorized to pass the bill submitted with this letter against the savings referred to in paragraph 2.
