Proceedings of the Madras Government, Public Works Department, 26th April 1864.

Read the following papers :—

No. 621. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 16th April 1864, No. 383.

SIR,

I have the honor to submit for sanction and provision of the necessary funds an Estimate of Rupees 236, for new flooring to the Civil Dispensary at Coimbatore, and otherwise putting it into order. The work does not come strictly under the head of Repairs ; and if it did, I could not provide for it from the Budget allotment of 1864-65, the Rupees 100 given under the head of "Charitable Institutions" being already all but absorbed by sanction of an Estimate of Rupees 91 for repairs to the Coonoor Dispensary. In fact the allotment under the above heading is insufficient, and should be trebled at least, nor can appropriations from other headings be made to supplement the deficiency.

Referred to the Public Department.

Secretary to Government, P. W. D.

From the Superintending Engineer, 7th Division, dated 16th April 1864, No. 383.
