No. 47.

OFFICIAL MEMORANDUM.

The Secretary to Government, Department Public Works, has the honor to request that the Chief Secretary to Government will be good enough to inform him whether the Proceedings* marginally noted are to be considered in supersession of the Orders in the Educational Department, No. 20, dated 22nd January last, sanctioning sum of Rupees 1100 for renewing the ruined verandah of the Tellicherry School-house from the current year's allotment† for the Normal School at Cannanore.

* Educational Department, No. 90, dated 18th March 1864.

† Rupees 7000, see Educational Budget for 1863-64.

2. In the Statements printed with Public Works Proceedings, No. 542, dated 23rd February 1864, the Superintending Engineer, 7th Division, proposed the expenditure (on emergency) on the Tellicherry School-house of a sum of Rupees 258, in addition to the amount (Rupees 1100) above-mentioned, and recommended that the funds be obtained by a further transfer from the allotment for the Normal School at Cannanore, the whole of which, he reported, was likely to remain unexpended on the 30th instant. The undersigned desires to be informed whether, under the Orders in the Educational Department, quoted in paragraph 1, these amounts, aggregating Rupees 1358, are to be provided from the Imperial Public Works assignment.

3. It will be observed from the Orders marginally noted, that several grants have been made towards the Tellicherry School-house from the Educational Building Fund.

To the Chief Secretary to Government.

No. 26. ORDER THEREON, 19th April 1864, No. 111.

In his letter of the 6th February last, No. 329, paragraph 3, the Superintending Engineer, 7th Division, showed that there was a balance of Rupees 15,000 in Malabar available for transfer to cover the deficit in other Districts for new works. A part of this balance consisted of Educational funds, and in the Proceedings, Department Public Works, of the 23rd idem, No. 542, paragraph 30, the question of the proposed transfer was referred to this Department for consideration; when, it was decided that no portion of these funds should be applied to other than building purposes for the Educational Department.

2. The Proceedings of the 18th ultimo, No. 90, do not therefore affect the Orders previously passed for the repair of the Tellicherry School-house. The further sum of Rupees 258 now required for the same purpose can, as proposed, be met from the amount allotted for the Normal School at Cannanore, which, it is stated, will remain unexpended at the close of the current year.
