Proceedings of the Madras Government, Public Works Department, 28th April 1864.

No. 681. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Yettyapoorum, 22nd April 1864:—

SIR,

1. I have the honor to enclose two Statements showing amounts which in spite of my best exertions will I fear be unexpended during the current year, amounting in Madura to Rupees 10,988, and in Tinnevelly to Rupees 2,843.

2. Of the latter amount, however, I require Rupees 1,562 to pay for *bonâ fide* work done on the Satur bridge. In former communications I reported my intention of pushing on to the utmost this very important work, but the funds under the head of New Works are exhausted.

3. I trust that the Government will sanction my making the payments from the savings in repairs.

4. I shall submit a further requisition after 1st May for the completion of the work. All the arches will be finished in the current year.

No. 682. ORDER THEREON, 28th April 1864, No. 1,227.

1. Owing to the late date on which the Superintending Engineer, 8th Division, has reported that the sums marginally noted are likely to remain unspent at the close of the current official year, the Government are precluded from authorizing their transfer to other Districts in which they might have been advantageously laid out.

	Rs.
Madura	10,988
Tinnevelly	2,843

2. With reference to paragraphs 2 and 3, Captain Moberly will be informed that the Government are surprised to find that an Officer of his standing in the Public Works Department should still be in ignorance of the instructions of the Government of India (communicated in Proceedings No. 1,748, dated 3rd July 1863, and so frequently referred to in subsequent Orders) under which this Government is precluded from sanctioning the appropriation of funds set apart for repairs to the execution of new works.

(True Extract)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 8th Division.

Exd. S. T. Augustin.
